Summary - .He was trouble, but no man could make her burn hotter-or better. Chance Renault could still make her tremble after so many years, could still make her burn for his touch and cry out in the night for the man who had loved her first. who would love her always. Micah Sinclair knew she mustn't surrender to the outlaw who was forbidden temptation .and she knew she could never escape the lover who'd branded her as forever his. Time had only deepened their maddening hunger for each other, but the twist of fate that had made her another man's bride - and his widow - had brought them both too much sorrow. Did she dare hope that Chance would forgive her, that she'd forgive herself, for keeping guilty secrets for so long? Chance insisted Micah belonged to him body and soul, and he was determined to claim her at last, but first she wanted to prove she could be strong, that she could survive on her own. Could she accept the price Chance had paid for the truth, and finally bury the ghosts who haunted her dreams?.
